SRI A. K. ABDUL SAMAD (Minister for Health and Family Welfare).—

(a) 353 students were admitted to M. B. B. S. in Government Medical Colleges and 561 students in Private Medical Colleges in 1978-79.

(i) Full details of the caste-wise distribution of seats are not available as all the seats are not distributed on caste basis. Unless a candidate is applying for a seat in a reserved quota such as S. C. or Backward Community, he will not give details of his caste.

(ii) 76 seats were given to foreign students.

(iii) 135 seats were given to students from Outside Karnataka.

(iv) Male 691. Female : 223

(v) The information is not availble.

Government Hospitals in Aland Taluk

269. ANNA RAO PATIL KORALI (Aland).— Will the Minister for Health and Family Welfare be pleased to state:—

(a) the number of Government hospitals in Aland Taluk.

(b) whether all these hospitals have their own buildings.

(c) if not, whether Government intend to construct buildings for these hospitals, if so when ;

(d) the number of doctors working in these hospitals.

(e) the number of vacancies of doctors in these hospitals and when they will be filled up ?

SRI A. K. ABDUL SAMAD (Minister for Health and Family Welfare)

(a) There are Nine allopathic Medical Institutions.

(b) only 4 institutions have own buildings.

(c) In respect of buildings for two institutions, the local bodies have to construct them entirely out of their own resources as per the conditions of Government Order sanctioning them. In respect of buildings foranother two institutions the buildigs have to be constructed by the V. P. C. and donor respectively as per the conditions of Government order. In respect of one Institution recently taken over by Government from Taluk Development Board, it is functioning in Gram Sevaks Quarters. In view of these conditions construction of buildings in respect of these 5 institutions by Government does not arise at present.

(d) Eight doctors.

(e) Four doctors. (Two Lady doctors and two male doctors) The vacancies will be filled up shortly.
